

Customized, scalable, recruiting solutions.

RPO - Recruitment Process Outsourcing

Large-scale hiring initiative? Need to hire in volume quickly?

Executek has the ability to act as a business partner and enhance your efforts to scale up quickly and efficiently. Perhaps you can't keep up with your significant growth or need to ramp up for a recently awarded contract. Our RPO Service removes per-hire search fees, allowing us to work in concert with your team while freely sharing applicant flow and candidate information. Executek acts as an internal recruiting partner while working remotely to assist in any phase of your talent acquisition process. Our RPO Service virtually increases the size and bandwidth of your internal recruiting department.

Call today to learn how our RPO Solutions can save you on traditional recruiting costs.
